Rotary Club of Boise  
PO Box 1636  
Boise, ID 83701

Thank you for your grant of \$10,000 to NAMI Idaho to support evidence-based Family to Family and Family Basics courses, and the launching of NAMI On Campus Clubs in the Treasure Valley, including related materials, trainings, and support staff efforts.

At NAMI Idaho, we envision a world where all people affected by mental illness can grow in resiliency, pursue recovery, and experience wellness. With your help we are making great strides toward realizing this vision in Idaho. Support of our programming statewide makes it possible for us to continue:

- providing free courses and support groups to individuals and families dealing with mental illness,
- talking with students in high schools and employees in the workplace about standing up to stigma, recognizing the signs that someone needs help, and knowing what to do,
- providing support to people involved in the criminal justice system who have mental health needs, and training for law enforcement and first responders who respond to crisis calls related to mental health issues, and
- developing partnerships with faith leaders of all denominations to address the mental health support and training to address the needs of their congregations.

There is so much more to be done, but with you at our side, we are expanding the help we can give and serving an increasingly critical need on behalf of all Idahoans. Thank you so much!

Sincerely,

Beth Markley  
Executive Director  
NAMI Idaho
