

District Grant Final Report Form

This report must be completed and uploaded on matchinggrants.org within 30 days after completion of the project but no later than 2 years after the date of approval of the project. For scholarships, the report is due 30 days after payment of funds.

Rotary Year 2024-2025

District Grant # P-5217

Rotary Club: Greeley Centennial Rotary

Project Title: Dos Rios Elementary Music Education

Project Description: The purpose is to support music education through the purchase of educational materials and instruments for elementary-aged children.

-
1. Is this a scholarship governor's grant report? Yes ☐ No ☒ (If yes, go directly to line 16)
 2. Briefly describe the project. What was done and where did the project activities take place? Explain how the beneficiaries and other community members were involved?

From project narrative: Dos Rios Elementary, a Greeley-Evans School District 6 International Baccalaureate school is seeking to infuse its music program with innovative educational materials and instruments for its students, aged 4-11. Dos Rios Elementary is a kindergarten-5th grade public school in northern Colorado, with an approximate enrollment of 500 students. The school and district are highly impacted by poverty, with 86% of students receiving free and reduced meals benefits at the school level and 72% of students at the district level. Content areas such as music are annually funded for supplies and equipment at the rate of \$1.00 per student per year, which is not sufficient to keep pace with the needs of the program or students. This need has been exacerbated by the effects of Covid-19 and the inability of many music programs to perform with any instrument that required aspiration, such as singing, woodwind and brass instruments. These programs are still working to rebuild in the aftermath of the pandemic.

Describe the benefit to the community and/or improve lives:

This project will primarily support the area of focus of Rotary International of Education. Providing music education to K-5 students will increase music appreciation and understanding for underprivileged students. Our best hope is to spark a love for

music and help young learners see how music can enhance and enlighten our lives and the lives of others.

Sustainability:

Members of our Greeley Centennial Rotary Club have a long-standing history and relationship with Greeley-Evans School District 6.

Active Rotarian Involvement:

The Greeley Centennial Rotary Club continues to be active in collaborating with Greeley-Evans School District 6 on various educational projects. Dos Rios Elementary is led by a long-term Rotarian.

Total Project Budget: \$4,000.00

\$4,000.00 from the Greeley Centennial Rotary and the 5440 District, consisting of \$1,334.00 club dollars with matching funds of \$2,666.00 from our district.

3. How many Rotarians participated in this project? 5
4. What did they do? Please give at least two examples. This Rotarian coordinated with the local school to identify the need, manage logistics for funds dispersal, and complete a school visit to see the instruments in action. Additional involvement included grant writing and reporting.
5. How many non-Rotarians benefited from this project? 550+. Dos Rios Elementary is home to 550 students and a school community of approximately 5000.
6. Who are the beneficiaries and what is the expected long-term community impact of this project? These instruments service students in grades K-5 and were part of the spring 2025 concert.
7. If a cooperating organization was involved, what was their role? Greeley-Evans School District Six is home to Dos Rios Elementary. The school district oversaw dispersal of funds and coordinated with the school. The total project went slightly over budget, and the school district picked up the difference in expenses.
8. Income:

Income Item	Description	Total
1	Greeley Centennial Rotary Club	\$ 1334.00
2	District 5440 Match	\$ 2666.00
3	Greeley Evans School District 6	\$ 13.52
Total Income		\$ 4000.00

9. Expenditures: (number receipts starting with 1 and indicate a receipt # (s) for each expenditure) (Do not include travel expenses)

If international project convert amounts to US dollars	Receipt # (s)	Budgeted Amount	Actual Amount
Purchase of Music Instruments	#1	\$ 4000.00	\$ 4013.52
Total project expenditures			\$ 4013.52

10. Please explain any variance of more than 5% between the budgeted amount and the actual amount including the reason for the variance and why the alternative was chosen. N/A

11. Project score (5=strongly, 4=agree, 3= neutral, 2=disagree, 1=strongly disagree)

	Project Score	Comments
The overall project was successful	4	
The grant process worked well	5	
My interaction with partner clubs was good	N/A	Partnership with school was successful and rewarding.
We achieved the results we expected	4	

12. Did you upload photos in your project on matchinggrants.org under the Photos tab?
(If not, please do so) **Yes.**
13. What worked well on this project and why? The overall process of identifying a community need, writing for the grant, and seeing it come to fruition was successful. The community relationship already exists, the grant process is understood, and the students were able to have a richer music experience through an instrument refresh.
14. What did not work well and how would you suggest improving it? Grant funds dispersal to our club and to the school district took longer than usual. This was out of our control. The school's music teacher also left on maternity leave in the fall, so the instruments were not purchased and used until the second semester. We do not have suggestions for improvement, and heading into the 2025-2026 school year, the instruments are completely ready for use on day 1.
15. How was this project publicized? A project completion presentation will be made with our Greeley Centennial Rotary club later this year as part of a twice annual update to club members.
16. Scholarship Governor's grant only **N/A**
- Name of scholarship awardee _____
 - Current school _____
 - University of college they will be attending _____
 - Course of study _____
 - Starting date _____

Project Inventory
