

District Grant Report

Rotary Club: Placentia

Project Title: 2024 LOT318 Backpacks

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Provide backpacks and school supplies for 101 students, grades 1 thru 12 who reside in two (2) underserved, at-risk neighborhoods in Placentia. These students and their parents are participants in a program called LOT318, which strives to break the cycle, and open their eyes to opportunities that staying in school will offer to them.

2. How many Rotarians participated in the project?

13, plus 6 spouses and a community volunteer

3. What did they do? Please give at least two examples.

Stuffed pencil cases and school supplies as appropriate for each grade level. Helped with distribution to each student

4. How many non-Rotarians benefited from this project?

101 students. In addition, their parents/families were relieved of the financial burden to purchase the required school supplies and backpacks.

5. What are the expected long-term community impacts of the project?

Each child will have the necessary tools and supplies to fully participate in the learning environment. Education is a key to positive self-image, empowering the student to see opportunities in life, and to avoid being drawn into gang-related activities and life-style.

6. If a cooperating organization was involved, what was its role?

LOT318 is a non-profit which coordinates the efforts on behalf of the families in these under-served neighborhoods. It provides the student information, and hosts the distribution ceremonies. Some community members contributed towards the purchase of some of the school supplies.
