Condition: Used - Very Good

This camera has a low shutter count of only 3,811, reflecting minimal usage and showing only light signs of wear. It remains in very good condition overall, with some general surface wear on the body that does not affect its functionality or performance. The lens is in excellent working order, featuring clear, scratch-free glass, free from haze or fungus. The camera is fully operational and performs reliably. Kindly refer to the photos for a detailed view of the item's condition and all included accessories.
