### Project Description

---

1. Briefly describe the project outcomes. What was done (in 100 words or less)? We were able to supply almost all of the materials that the Vista Del Camino requested for over 200 unsheltered. We were also able to get the supplies in time for their unsheltered outreach program.

When (dates) and where (city, state and country) did project activities take place?  
On November 25<sup>th</sup> at Vista Del Camino in Scottsdale, Arizona, 12 of our club members participated in sorting all the items into bins and making up packets to fill 150 backpacks for their unsheltered outreach program. We also were able to sort and hang donated clothing for the unsheltered. Some of the items were purchased by our members prior to going to Vista on that same day.

Who were the beneficiaries? The unsheltered in Scottsdale area were the beneficiaries of the hygiene supplies, blankets and jackets that were purchased with the grant.

2. How many Rotarians participated in the project? 12
3. What did they do? Please give at least two examples. The Rotarians went shopping for some of the supplies at Costco, brought them to Vista Del Camino and sorted and packed the items into backpacks for the unsheltered.
4. How many non-Rotarians benefited from this project? Over 200 unsheltered benefited from this project.
5. What are the expected long-term community impacts of the project? The unsheltered were able to keep warm this winter and were given hygiene products to maintain their health and dignity.

6. If a cooperating organization was involved, what was its role? Vista Del Camino Community Center provided a place for the materials we contributed to be disbursed as the manpower to distribute the backpacks for the unsheltered outreach program.
