2. Name of District Grant: Community Bench
3. Briefly describe the grant and list any changes that might have occurred (100 words or less)  
The City of Chadron has been working to create a downtown gathering space for our community. Our Rotary Club wanted to contribute to their efforts by using the grant funds to purchase a bench branded with the Rotary logo.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects  
Our Club is focused on increasing membership and has started a "Rotary brand initiative" to help achieve this goal. We believe one of the best ways to reach potential members is to make ourselves more visible in our community. This bench is one step toward our initiative, which we plan to continue in future grant funded projects.
