

2024-25 DISTRICT GRANT PROJECT FINAL REPORT

Grant # P- Progress Report ☐ Final Report ☒ Date

Project Title:

Club Name:

Project Description:

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

PENTA Medical recycling is an New York based organization which collects, sorts and stores used prosthetic equipment. The money from this grant was used to purchase equipment for PENTA to outfit their new storage warehouse and update their inventory system, allowing more volunteers to visit their warehouse and assist in breaking down the donated limbs

2. How many people benefited from this project?

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

By improving their storage and inventory system, we have further enabled to work with prosthetists around the world to provide life changing prosthetic equipment to those who would otherwise be unable to access it. Also, our support has enable PENTA to work with more volunteers in their warehouse and in schools.

4. How many Rotarians participated in the project?

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Members of our club have repeatedly volunteered at PENTA, helping to break down donated limbs into their component parts, properly categorize these part and add them to PENTA's inventory, and then collect and pack parts requested from prosthetists around the world, include one prosthetist from the Rotary Club of Hondoras.

6. If a cooperating organization was involved, what was its role?

PENTA Medical recycling is one of the leading organizations in the US for ensuring that high quality used prosthetic equipment does not end up in land-fill and is instead given to those in need around the world. This grant was designed to help PENTA improve their storage and inventory system, enabling more volunteers to assist in collecting and storing this life-changing equipment.
