

dear ms.jai,

dr mohan is quite busy on surgeries and only today i could catch him

a very approximate breakup could like this for ASD/VSD:

operation supplies/disposables-rs.30,000/- (\$680)

icu/theatre/bed/ward charges-rs.15000/- (\$340)

Drugs/icu fluids/sutures---rs.15000/- (\$340)

OTHERS medicines, etc.- rs 5000/- (\$120)

This adds upto \$1480- these are approximate and can go up or down by a marginal amount depending on each case.

I hope this answers all the questions...

i hope this will do
