

Mrs. Doddridge,

As you may know, each year the PTG grants Kidco \$100.00 to spend on items for the students. The 2015-2016 grants must be spent during this school year. If you do not use the money for your students this year it will not roll over to next year since it is part of this year's approved budget.

In addition to the grant, the Rotary Club granted Kidco \$600.00

So far this year Kidco has spent \$245.95 on graduation supplies and toys.

The process to redeem your grant is simple. First, purchase items such as books, classroom supplies, art projects, science activities, sports equipment, organizational items, party food, etc. Second, attach receipts to a check request and insert into the PTG box located in the office. Finally, a check will be written to you to reimburse your expenses. Please have your check request turned into the office before Friday, **May 15, 2016**.

The balance for both grants as of April 10, 2016 is \$454.05.

Christy Allen, Treasurer Salt Creek PTG
