

ROTARY DISTRICT 5440 CENTENNIAL GRANTS

The Redeye Rotary Club of Greeley and the After Hours Club combined their Centennial Grants to purchase 30 round tables and 3 table carts. This was for Grant numbers P-1519 and P-1507 respectively. The table carts have been assembled and the tables are ready for use. This completes these two projects.

The Sam's Club receipt for the purchase of the chairs and carts has been uploaded to the Grant Website.

The total Grant Project was \$3,000.00. The actual cost of the tables and carts was \$2,833.98, leaving a balance of \$166.02, which our clubs plan to cover a portion of the audio-visual equipment in the combined Centennial Grant for the Greeley Rotary Club and the Greeley Rotary Club – Centennial. Grant Number P-1511.
