Rotary Club: Mineral Wells

Project Number: P-1711

Project Title: Rabies / Spay- Neutering Clinic

## Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? The project was to help low income residents in Mineral Wells have there pets get a Rabies vaccination so our town can eliminate and control disease. Our committee chaired by Nancy Cameron accepted applications for review. During the course of our project we were granted an amendment to include Spaying, and Neutering which we found to also be a disease problem in Mineral Wells. Attached are the documents showing when and where the project took place and the number of animals that received a Rabies vaccine, were Spayed, and also Neutered.
2. How many Rotarians participated in the project? 6
  2. What did they do? Please give at least two examples. The participated Rotarians did the 1.) application review, and 2.) set up appointment dates for qualified applicants to have there pets Vaccinated , Spayed , or Neutered.
4. How many non-Rotarians benefited from this project? 0
5. What are the expected long-term community impacts of the project?  
Or goal was to help 1.) eliminate some of the disease spread from non-Rabies vaccinated animals, and 2.) by Spaying & Neutering additional animals stop the spread of more diseased animals that can get out of control. Long term these two areas of control will help is disease control in our town.
6. If a cooperating organization was involved, what was its role?
