Dear Greeley Redeye Rotary Club,

On behalf of all of us here at Greeley Area Habitat for Humanity (GAHFH), I would like to take the opportunity to thank you for your generous donation of \$1,500 to the Jefferson CMPP made on 12/14/2017. We could not accomplish all we do without community partners like you!

The families we serve are the heart of Greeley Area Habitat for Humanity. Your contribution goes directly toward helping these families acquire a decent, affordable, and secure home which creates a pathway out of poverty for them and many generations to come.

With your support, Greeley Area Habitat for Humanity is celebrating 30 years of service in Weld County and continues to be a catalyst for change with exciting new initiatives such as the 1st and 2nd Habitat veterans builds in the state of Colorado and our Construction Management Pathway collaboration with Jefferson High School. With the help of community partners like you, GAHFH has provided homes for 130 families since 1987 and has built the largest single family Habitat subdivision west of the Mississippi.

Again, we thank you for your generous donation. We are so grateful that you have opted to invest your funds in our mission, affordable housing, and in the lives of families in-need. You may learn more about our programs by visiting our website at www.greeleyhabitat.org.

Sincerely,
