Mr. Steele:

This letter confirms that Friends of Lake Mineral Wells State Park and Trailway, Inc., a Texas non-profit corporation, received your gift of \$5,138.00 on March 16, 2020. Our Friends Group greatly appreciates your contribution!

The funds gifted by the Rotary Club of Mineral Wells will be used in the coming months to rehabilitate, upgrade, and beautify the approximately 2.5 miles of the Lake Mineral Wells State Park Rails to Trails trail located in Mineral Wells. These improvements will include repairs to infrastructure (bridges, path surface, gates, and bollards), new signage, and landscaping along the trail. Rotary's gift will go a long way towards making the trail a more enjoyable asset for the citizens of Mineral Wells and for those visiting our town.

Thank you again for supporting Friends of Lake Mineral Wells State Park and Trailway, Inc., and for supporting Mineral Wells!

Respectfully,
