

800 of the cards below were placed in the Fresh Start bags filled for women, men and children in December 2024. The bags were filled with toiletries for women and men with the children receiving small gifts while living in sober group homes with recovering parents.

These cards were created to spread awareness of Rotary Club of Scottsdale North & Rotary in general as well as letting the recovering individuals know they are cared for.

Contents of this Fresh Start Bag were made possible with donations from The Rotary Club of Scottsdale North
