Our club is serving the local community with several projects. Our focus for these projects is primarily in the area of education, but we are also using grant funds to serve our community in other areas. The two major projects under this DG project umbrella:

- STEP – Supporting Teaching and Educational Programs is our club's signature project and one which we have completed with the support of district grant funds for 15 years. STEP awards will fund a myriad of educational necessities including books, teaching materials, student and classroom equipment, and adaptive learning equipment for special needs students
- Ronald McDonald House Meals of Love – Our members purchase, deliver, and serve meals to the guests of Ronald McDonald House in Orange.
