Dear Rotarians of Abilene:

Wow, wow, wow! You are all amazing supporters of Camp Able of Buffalo Gap! Your belief in our mission inspires us to work even harder to help children and veterans with special needs every day. Because of your generous grant of \$2,000 on February 14, 2025, we are able to provide resources for our therapeutic riding programs, and shelter & care for our horses.

The mission of Camp Able of Buffalo Gap is that we are dedicated to empowering individuals with special needs through therapeutic riding and inclusive skills-based programs. You are all vital contributors to the success of our mission!

Your continued support is so valuable to Camp Able as we move forward with our business plan to develop our organization with resources to serve more and more individuals with special needs. On behalf of those we strive to serve, we thank you for your generosity.

Gratefully yours,

Lota S. Zoth
Volunteer Finance Director
