

## Pups And Warriors Side By Side

### Our Mission Statement

P.A.W.S.S. (Pups And Warriors Side by Side) is a veteran owned and operated non-profit organization that helps disabled Veterans, First Responders and their family members train their own dogs to become their certified service dogs. We strive to empower our students by building confidence, encouraging open, honest and supportive relationships with a judgment-free approach in a safe training environment, all while raising awareness on the impact that PTSD has on our Veterans and First Responders, as well as the Secondary PTSD it causes their loved ones.
