

Providing only the best of care

OUR AIDES TREAT OUR PATIENTS WITH COMPASSION & DIGNITY

Patients receive personalized support and care from our Home Health Aides who are credentialed and trained to provide:

- Companionship & Bedside Care
- Personal Care, Hygiene & Grooming
- Dressing Assistance & Hair Care
- Toilet Care & Bathing Assistance
- Medication Reminders
- Bed & Cover Change
- Home & Family Assistance

Admissions

Admission to Compass Home Healthcare can only be made under the direction of a physician, based on the patient's identified care needs, homebound status, and the types of services required. While we provide services directly to our patients, we also coordinate with physicians, and other providers to ensure our patients receive seamless care.

24/7 Medical Care

Our medical services are available 24-hours a day, 7 days a week.

Creative Solutions

We understand that every patient is different, and the care we provide is tailored to the individual needs of the patient.

Patient Care Communication

Ensuring family and close friends of the patient are given the most relevant information is a big part of the care process, and we work to ensure anyone authorized to have such information, is given these updates in a timely fashion.

Top three things to know about us.

1

Locally Owned & Managed

Compass Home Healthcare is proud to be locally owned and managed. We are not just taking care of patients; we are providing care to our neighbors.

2

Exceptional & Professional Staff

We employ only the best caregivers who are fully screened and have a personality fitting of someone who assists in the care of the most vulnerable persons of our community.

3

Managed Care

Compass Home Healthcare manages patient care through a coordinated services approach to ensure we are constantly monitoring the needs of our patients.
