

**District Grant Report**

Rotary Club: Rotary Club of Placdnia

Project Title: Harvest Pack

Progress Report       Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? We packaged 20,000 meals to be distributed to those in need. Ultimately, the food was sent to the Philippines though we didn't know where they were going at the time of the event. It took place on November 1, 2014 at Rose Drive Friends Church.
- How many Rotarians participated in the project? 20 plus spouses. Also 2 Interact Clubs, the Rotaract Club from CSUF and members from the church also participated.
- What did they do? Please give at least two examples. The group set up the lines for food packaging, packaged 20,000 meals in less than 2 hours, packaged them in boxes for shipping and readied the shipment for pick up by the transfer company.
- How many non-Rotarians benefited from this project? Every recipient of a meal benefited.
- What are the expected long-term community impacts of the project? As far as community is concerned – we had two interact clubs get to know each other. We, as Rotarians, were able to interact with members of the Rose Drive Friends Church...many of whom had no idea what Rotary was.....they do now.
- If a cooperating organization was involved, what was its role? Harvest Pack was the company we used to purchase the components of the meals and deliver them to the church for packaging. They also arranged shipment to the Philippines.
